

BDC Press Release - 5th August 2024

The sad passing of British Dance Council Honorary
Past President, Bryan Allen.

I am deeply saddened to have the duty to write on behalf of the British Dance Council that our former President and Honorary Past President, Bryan Allen, has passed away during the night.

He served the Council for many years with a patriotism that was strongly rooted in his love of dancing and of his country.

The highlight of his career on the BDC was his term of Presidency from 2009 to 2020, where he truly showed his dedication, determination and proud spirit.

I am sure that all dancers throughout the world will join in sharing their thoughts and prayers with his wife, Ann, and their family and friends at this sad time.

Rest in peace, Bryan. You will be greatly missed.

Christopher Hawkins
President
British Dance Council
